Bestselling Van Life author Foster Huntington shares his experiences -- as well as others -- living by his own rules in this aspirational book filled with awe-inspiring photographs of unique homes in unexpected places. After spending three years on the road living in a camper van, Foster Huntington continued his unconventional lifestyle by building a two-story treehouse. Foster, like many others, are finding freedom, tranquility, and adventure in living off the grid in unconventional homes. Perfect for fans of Van Life and Cabin Porn and those who long for a quieter life, Off Grid Life showcases unique dwellings from all around the world. Organized into sections like tree houses, tiny houses, shipping containers, yurts, bathhouses, barns, vans, and more, the 250 aspirational photographs feature enviable settings like stunning beaches, dramatic mountains and picturesque forests. Also included are images of fully designed interiors with kitchens and sleeping quarters as well as interviews with solo dwellers, couples, and families who are living this new American dream.

VW Buses command a massive following -- with Campers being the most popular of all. This book delves exclusively into the spin-off conversions based on the VW Panelvan, Kombi and Microbus that became known simply as VW Campers. Packed with original marketing images, including unusual, discontinued models this book will fascinate any VW fanatic.

A photography book celebrating the nomadic lifestyle and community of vanlife through interviews, essential advice for living on the road, and more than 200 photos of tiny rolling homes. Inspired by the blog and Instagram account, Vanlife Diaries is an inspiring and detailed look into the world of the rolling homes built and occupied by a new generation of modern nomads: a range of professionals and creatives who have ditched conventional houses for the freedom of the road and the beauty of the outdoors. More than 200 photographs feature the vanlifters, their pets, and their converted vans and buses--VWs, Sprinters, Toyotas, and more--with the interiors uniquely customized and decorated for their work and hobbies, as well as the stunning natural locations that are the movement's inspiration. Interviews and narrative captions share the stories of these nomads and how they decided to pursue vanlife, and provide practical tips and inspiration for downsizing, finding and converting your vehicle, and working and living on the road.
