A concise history of the United States, the book lives up to it's title, however, it's a bit unorthodox in structure and skips over some major points in U.S. history. This would probably make the book difficult to read for those who aren't familiar with U.S. history. Nevertheless the book is interesting, a good read and supported by many references.

Born out of violence and the aspirations of its early settlers, the United States of America has become one of the world's most powerful nations. The book begins in colonial America as the first Europeans arrived, lured by the promise of financial profit, driven by religious piety and accompanied by diseases which would ravage the native populations.

A Concise History of the United States of America by Susan ...

It is a history frequently contorted through the entertainment industry that is Hollywood, encountered in the heritage industry built on Plymouth Rock, and, above all, commemorated first, in the national landscape at Valley Forge, Stone's River, and Gettysburg, and then the global one, at Aisne-Marne and Belleau Wood, near Omaha Beach, Normandy, and at Son My.
