A taut, powerful memoir of madness. Angelhead documents the violent, drug-addled descent of the author's brother, Michael, into schizophrenia. Beginning with Michael's first psychotic break—seeing God in his suburban bedroom window while high on LSD—Greg Bottoms recounts, in gripping, dramatic prose, the bizarre disappearances, suicide attempts, and the shocking crime that land Michael in the psychiatric wing of a maximum security prison.

~~Angelhead My Brother's Descent into Madness Amazon.co.uk~~
"My brother saw the face of God. You never recover from a trauma like that." This is the beginning of Michael Bottoms's descent into madness. The journey was a long and painful one characterised by desperation and ultimately despair. Consequently, this—his brother's account of the journey—is a dark and arduous book. Michael developed schizophrenia after taking LSD.
