The Entitled Generation: Helping Teachers Teach and Reach the Minds and Hearts of Generation Z brings teachers into the twenty-first century world of 24-7 technologically-wired up and social media-driven students. This book asks teachers to consider pragmatic and sensible ways to teach Gen Z and to understand the differences between today ' s students and those of the past. Teachers are offered keen insights by colleagues, in terms of how Gen Z thinks, the various ways that males and females learn, and the distractions and struggles each faces by device addiction affecting today ' s classrooms. American culture is perpetuating the notion that today ' s students are entitled to economic and social outcomes on equal bases. Gen Z “ feels ” everyone should be treated as equals, receiving the same rewards for unequal efforts, thus promoting a feeling of entitlement. Teachers will understand the reality of today's
