With a broad array of innovative print and technology resources, Glencoe Earth Science helps teachers differentiate and accommodate all learners. The range of labs, content area reading, discussion strategies, note-taking tools, and activities provides students with multiple experiences of each Science Benchmark. They give teachers flexibility and the ability to monitor student progress through ongoing assessment.

McGraw-Hill My Math develops conceptual understanding, computational proficiency, and mathematical literacy. Students will learn, practice, and apply mathematics toward becoming college and career ready.

Softbound Interactive Student Text is divided into a two-volume set that is perfed and 3-hole punched for easy organization for middle school students. This is volume 1.

The Glencoe Math Student Edition is an interactive text that engages students and assist with learning and organization. It personalizes the learning experience for every student. The write-in text, 3-hole punched, perfed pages allow students to organize while they are learning.

Glencoe Health is an activities-based, high school, health program where teens find support for mastering important health content and skills. Through high-interest, real-life applications, they will learn to recognize and stand up to peer pressure, model good health behaviors, and develop solid decision-making skills that will last a lifetime.

Build students independent living skills and prepare them for success beyond high school! This program meets the newest FACS standards. Students are prepared for career or college with full-page Career Pathway or College Readiness features. Career cluster guidance, job outlook, education and training, and 21st Century Skills are included. Career Readiness: is also focused on thorough résumé writing, job interview prep, and portfolio building activities and guidance. College Readiness includes information on scholarships, financial matters, and the college application process. Project-based pedagogy is used throughout this program through Unit Portfolio Projects. Financial literacy education is integrated throughout the program, both in the context of projects and activities and with specific chapter-based Financial Literacy features that include math practice. 21st Century Skills: Time-management skills, leadership skills, interpersonal skills, and teamwork skills are focused on. Succeed in School and Life features appear throughout each chapter to reinforce skills concepts and applications. Rigorous, standards-based academic integration to support the Perkins legislation mandate is included. Family and community connections are approached through activities in each chapter. Independent living skills, self-discovery, and value-based self-affirmation are focused on. Includes: Print student edition

"The two most engaging powers of an author are to make new things familiar, and familiar things new." - Samuel Johnson (1709-1784) Glencoe Literature for 2002 also "makes new things familiar and familiar things new." Designed to meet the needs of today's classroom, Glencoe Literature has been developed with careful attention to instructional planning for teachers, strategic reading support, and universal access that meets the learning needs of all students.

Glencoe Science: Electricity and Magnetism, a module in the Glencoe Science 15 book series, provides students with accurate and comprehensive coverage of middle school National Science Education Standards. Concepts are explained in a clear, concise manner, and are integrated with a wide range of hands-on experiences, critical thinking opportunities, real-world applications, and connections to other sciences and to non-science areas of the curriculum. Co-authored by National Geographic, unparallelled graphics reinforce key concepts. A broad array of print and technology resources help differentiate and accommodate all learners. The modular approach allows you to mix and match books to meet your specific curriculum needs.

Glencoe Health is a comprehensive health program, provided in a flexible format, designed to improve health and wellness among high school students. Real-life application of health skills helps students apply what they learn in health class toward practicing good health behavior in the real world. Hands-on features are integrated with technology, assessment, and up-to-date health content. Features Hands-on activities-based program focuses on health skills, avoiding risk behaviors, and promoting health literacy. Academic integration throughout the program includes research-based reading and writing strategies in every lesson, as well as Real-World Connections emphasizing math concepts and activities, and Standardized Test Practice focusing on Math and Reading/Writing. Fitness is emphasized through the program with the Fitness Zone. The Fitness Zone includes tips in the Student Edition for incorporating fitness into everyday life, activities in the Teacher Edition, a special section of the Online Learning Center, and a heart-rate activity workbook with CD-ROM. The latest technology includes videos, podcasts, activities for handheld devices, the online student edition, PowerPoint DVD, StudentWorks Plus, and TeacherWorks Plus. Includes: Print Student Edition
