Readers will learn how to: Master Kuchar's "double motion offense" Locate, protect, and infiltrate zones Defend against the fast break Use last-second plays for when the game is on the line Make the most of out-of-bounds plays Scout and evaluate junior high school talent Get college coaches to scout their games

"Coach Hatchell's book is a must-read for every girls' basketball coach. She is fantastic in every phase of the game, and I love watching her teams play."—Roy Williams, head men's basketball coach, University of North Carolina, and Associated Press Coach of the Year, 2006 What does it take to turn a good coach into a great one? You need to be a teacher, a motivator, a guru of X's and O's. Coach Sylvia Hatchell shows you how she manages all these roles and gives you her winning advice to creating a team of champions. Head coach of the University of North Carolina's women's team, Coach Hatchell combines the Tar Heels' longstanding tradition of basketball greatness with her personal dedication to guiding young women as she teaches you how to: Communicate effectively to get peak performances from 11- to 18-year-old girls Teach all the fundamentals of the game and run a productive, high-energy practice Develop a formidable offense and tenacious defense Master 75 of her favorite drills, ranging in difficulty from beginner to advanced

Before great basketball players developed their superstar flair, they built a solid base of fundamental skills in all phases of the game. Basketball Skills and Drills provides a blueprint for building the foundation that every well-rounded basketball player needs. The book also covers key team principles for both ends of the court. Tactics for offense, including special situations such as out-of-bounds plays, will improve spacing, ball and player movement, shot selection, and scoring. Defensive tactics emphasize positioning, pressure, and various systems to apply in each area or level of the court.

What others in sports are saying about The Best-Laid Plans... "Randy and Matt have put together a great book for building a high school basketball program. ...This book would be an excellent read not only for high school basketball coaches, but also for coaches of all sports and all leaders of young people." from the Foreword by Bob Huggins "This book is a great source of information for any coach or interested reader about how to properly run a basketball program and lead young people. I personally have observed many of the ideas in this book, especially during Randy's career. In my years of high school and professional sports, I have not found a better blueprint for success than that which is presented in The Best-Laid Plans of a High School Basketball CEO." Dean Chance 1964 Cy Young Award Winning Pitcher All-Ohio and State Champion Basketball Player "I came to know Randy very well while recruiting one of his players. He runs as good a program as I have seen throughout the country. Randy and Matt Kramer have put together a great tool for design and example in how to lead a high school basketball program from top to bottom. The Best-Laid Plans comes to you with my highest recommendation. Brad Brownell Head Men's Basketball Coach Clemson University A leadership book, a book that offers tips on how to run a sports program from kindergarten through high school, an inspirational underdog story-The Best-Laid Plans of a High School Basketball CEO is all of the above and more. Here's a sample: Matt Kramer's boys' basketball team from Navarre Fairless High School was perhaps the worst in the Canton (Ohio) area, finishing 3-19 in 2004; in 2005, he was sitting on a coaching "hot seat" at 0-12 in the middle of January. His program and his career were left for dead... ...Twenty-six months later, Coach Kramer was standing on a ladder in the Canton Memorial Field House cutting down the nets after his Fairless team won the prestigious Canton Division-II District Championship Game in overtime and earned a spot in Ohio's Division-II "Sweet-16." Miracle? No, it happened with hard work, a little luck, and the mentoring of a legendary 500-win coach, Randy Montgomery-ideas that are now shared here in The Best-Laid Plans of a

High School Basketball CEO. Matt Kramer Born the son of a basketball coach on July 16, 1969, Matt Kramer spent his childhood in a gym by Dan Kamer's side watching him run the program at Archbishop Hoban High School in Akron (Ohio). Kramer went on to play at Hoban, graduating in 1987, then went on to a two-year career as an NCAA Division-III collegiate basketball player at The College of Wooster for legendary coach Steve Moore. After transferring to Mount Union College in the fall of 1989, he incurred a back injury that ended his playing career and sent him down a career path in coaching and education. Married to his wife Christine since 1996 and father of three-sons Luke and Landon, and daughter Olivia-Matt Kramer shares ideas and stories here that range from being inspirational to heart-breaking, illustrating the roller-coaster ride a twenty-one-year career in coaching can be. Randy Montgomery A Hall-of-Fame high school basketball coach, and a disciple and close friend of West Virginia University head coach Bob Huggins, Randy Montgomery has spent over three decades using his innovative approach to lead two high school programs-Wooster Triway and North Canton Hoover-to elite status."

Growing up in Kinston, Alabama, Rick Wood had two goals: to play high school basketball for his role model, Creigh Purnell, and to become a high school coach and teacher himself. Though he was never able to make Coach Purnell's varsity, he enjoyed a stellar coaching career. Rick Wood retired with 662 wins -- at the time, the most by any active coach in North Carolina. His players were known for their teamwork, hustle, and sportsmanship. They were also known for being true student-athletes, receiving two awards for having the best team GPAs in the entire state. "40 Seasons" chronicles how one small town boy turned his dream into a lifetime of achievements. Through his eyes, we discover universal lessons about winning, losing, teaching, and living.
