Creating sacred space with feng shui. The majority of us in the Western world do not generally create a sense of sacredness within our lives or environments, probably because we are too busy just getting on with life, or we may have forgotten the importance of ritual in our lives. If, on the other hand, we

Even though not a traditional feng shui application, space clearing is sure becoming a part of contemporary feng shui work. Space clearing means clearing the space on an energy level. It is an ancient art practiced daily in many old cultures - from India and Bali to Peru and Morocco - and there are numerous ways and materials used for space clearing.

August 20, 2017. Currently, I'm reading Karen Kingston's book "Creating Sacred Space with Feng Shui." There is a chapter in it about why it's crucial to declutter. She points out that removing clutter from your home is extremely important and a pre-requisite to practicing Feng Shui in a successful way. Actually, if you practice Feng Shui in a cluttered space it could even worsen your situation!
