ogres) back into football! Blood Bowl novelist Matt Forbeck brings his trademark twisted blend of humor and action to the first-ever Blood Bowl comic book, featuring the now-legendary Bad Bay Hackers in a grudge match against the ever-evil Orcland Raiders! Join the Hackers as they begin their brutal march to their next championship game, filled with spiked balls, corrupt refs, and giant-sized barrels of Bugman's XXXXXX!

Subterfuge and assassination bring this thrilling series to an end. Despite the odds, the Imperium has triumphed. The orks have

been defeated and the Great Beast is no more. Across the length and breadth of the galaxy, humankind celebrates its salvation, and relishes the prospect of a return of peace. But the war against the orks has riven the political bedrock of the Imperium, exposing its rotten core. One man, one powerful man, decides he has the solution, and launches a campaign of destruction so terrible that thousands of years later his actions will still be viewed with horror. And all the while, the true enemy watches and waits in the starless depths of space; an eternal evil that desires only to devour the souls of

every living human soul in the galaxy.

Dirk "Dunk" Hoffnung, a star Blood Bowl player, is forced to start all over again in the Goblin Leagues, in the sequel to Blood Bowl. Original.

The bestselling landmark account of the first emergence of the Ebola virus. Now a mini-series drama starring Julianna Margulies, Topher Grace, Liam Cunningham, James D'Arcy, and Noah Emmerich on National Geographic. A highly infectious, deadly virus from the central African rain forest suddenly appears

in the suburbs of Washington, D.C. There is no cure. In a few days 90 percent of its victims are dead. A secret military SWAT team of soldiers and scientists is mobilized to stop the outbreak of this exotic "hot" virus. The Hot Zone tells this dramatic story, giving a hair-raising account of the appearance of rare and lethal viruses and their "crashes" into the human race. Shocking, frightening, and impossible to ignore, The Hot Zone proves that truth really is scarier than fiction.

BAPTISM BY FIRE Chris Ronnau volunteered for the Army and was sent to Vietnam in January 1967, armed with an M-14 rifle and American Express traveler's checks. But the latter soon proved particularly pointless as the private first class found himself in the thick of two pivotal, fiercely fought Big Red One operations, going head-to-head against crack Viet cong and NVA troops in the notorious Iron Triangle and along the treacherous Cambodian border near Tay Ninh. Patrols, ambushes, plunging down VC tunnels, search and destroy missions—there were many

ways to drive the enemy from his own backyard, as Ronnau quickly discovered. Based on the journal Ronnau kept in Vietnam, Blood Trails captures the hellish jungle war in all its stark life-and-death immediacy. This wrenching chronicle is also stirring testimony to the quiet courage of those unsung American heroes, many not yet twenty-one, who had a job to do and did it without complaint-fighting, sacrificing, and dying for their country. Includes sixteen pages of rare and never-before-seen combat photos
