Ethics Motion

Ethics in Motion emphasizes the importance of management's role in addressing pressures put on all employees in order to assure ethical business practices. Exacerbating Troubles Through Denial Many people remember reading about Martha Stewart's legal complications.

Ethics in Motion - Justin Paperny, Author of Living ...

- Ethics of Motion, pages 57-58 Nail also does a good job of accentuating the physicality of the mortal soul and of memory, and his idea of death as part of the movement of life is accurate. He says that "death is not a value to us", and calls for a performative, embodied philosophy—even if he does not clarify what this means in practice.
