and spirituality should be integral to social work practice.

The Routledge Handbook of Religion, Spirituality and ... Traditional relationships between religion and family, voting patterns, race and education have been well noted. More recently, studies show the closer relationship with health behaviors, gender scripts, patterns of crime and deviance, military rituals, sports, legal decisions, life course behaviors and religious patterns among the new immigrants. The Handbook of Religion and Social Institutions presents a comprehensive, up to date overview of the intersection of religion with major social ...
