Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling Christ-Centered Preaching. This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in various types of sermons and various genres of the Bible. The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes, helping readers move from theory to practice. In essence, the book allows students and preachers to look over Chapell's shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments.

What is a preacher? What is preaching? Pastor Tony Merida asks these foundational questions to arrive at this overview of his widely anticipated book, *Faithful Preaching*:

“ Faithful preaching is the responsible, passionate, and authentic declaration of the Christ-exalting Scriptures, by the power of the Spirit, for the glory of the Triune God. Expository preaching is the best approach for accurately explaining and applying God ’ s Word, and for maintaining a God-centered focus in preaching. It also offers wonderful spiritual benefits to both the preacher and congregation. To be faithful expositors today, we must avoid the common problems associated with expository preaching such as boredom, irrelevancy, and Christless messages. Faithful preachers will usher the people through the text passionately and authentically, pointing them to Christ. ”

Worship. Small groups. Community outreach. Prayer Evangelism. Political action. Missions. Signs of renewal are springing up everywhere. How can we encourage and sustain this spiritual vigor? How can we make renewal a way of life? Spiritual growth, says Richard Lovelace, depends on grasping and applying certain key biblical principles. We need to understand how the forces of evil work against us and what God has done for us in Christ. Lovelace begins by focusing on our need to develop a God-centered, kingdom-centered life. He then details the dangers and strategies of the world, the flesh and the devil. Individually we are renewed as we grow in Christ, who accepts us, frees us from bondage to sin, and lives in us through the Holy Spirit. Corporately we are renewed as we pray, participate in community life, increase our theological depth, and reach out with the gospel in word and deed. This book incorporates insights from seven years' thought since Lovelace's earlier

Dynamics of Spiritual Life. Its shorter length and added discussion questions make it ideal for small group study as well as for individual reflection. This is a guidebook for all who desire spiritual growth.

God So Loved, He Gave places the practice of giving within the larger story of God's generosity. Here we discover how our participation in the overflow of divine giving is vitally connected to the Trinitarian nature of God, the unfolding drama of Scripture and ultimately the Gospel itself."

How God's Unlimited Grace Leads Us to Heartfelt Obedience What if obeying God is not just dreary duty—going through the motions to avoid God's wrath or earn his favor? What if following Christ is pure joy—living in loving response to a grace so profound that it changes all our motivations and affections? Far from encouraging sin, this biblical understanding of grace fuels and empowers the obedience that God commands. Explaining why grace is important and giving us tools to discover it in all of Scripture, Unlimited Grace helps us to see how gospel joy transforms our hearts and makes us passionate for Christ's purposes. Experienced pastor and author Bryan Chapell takes insights from a lifetime of relishing God's grace and pours them into this highly accessible and engaging book, helping readers see how God's grace shines through all of Scripture, for all of life.

It's time to open your eyes to the freeing power of authentic grace—grace that releases us from trying to earn God's favor, grace that enables us to rest in the finished work of Christ,

grace that liberates from the tyranny of trying to please others. That's what the theology of Martin Luther and John Calvin did in their own day for the people around them. Time magazine recently dubbed Calvinism as one of the top ten ideas changing the world right now. And yet most of these discussions center on the issue of predestination or on whether particular people agree with the five points of Calvinism. Daniel Montgomery and Timothy Paul Jones think it's time to rescue the theology of the Reformers from such stale scholasticizing and to declare anew the dangerous and intoxicating joy of the gospel that they proclaimed. PROOF stands for planned grace, resurrecting grace, outrageous grace, overcoming grace, and forever grace. The authors offer proof of God ' s grace upon which people can stand against the attacks of legalism that have led many of God's people to lose sight of the freedom and joy of the gospel. And this proof is intoxicating—it ' s like a 200-proof drink that will leave you spiritually staggering at its effect on your life. God ' s grace not only declares us “ not guilty! ” in his presence, it changes our relationship with God—forever.?

Architecture and Modern Literature explores the representation and interpretation of architectural space in modern literature from the early nineteenth century to the present, with the aim of showing how literary production and architectural construction are related as cultural forms in the historical context of modernity. In addressing this subject, it also examines the larger questions of the relation between literature and architecture and the extent to which these two arts define one another in the social and philosophical contexts of modernity. Architecture and Modern Literature will serve as a foundational introduction to

the emerging interdisciplinary study of architecture and literature. David Spurr addresses a broad range of material, including literary, critical, and philosophical works in English, French, and German, and proposes a new historical and theoretical overview of this area, in which modern forms of "meaning" in architecture and literature are related to the discourses of being, dwelling, and homelessness.

Christians often say, "In Jesus' name" to close their prayers. But is this truly a desire of the heart or a perfunctory "Yours Truly" to God? Bryan Chapell says we should begin our prayers in Jesus' name-we should be Praying Backwards. In this practical and inspiring book, he shows readers that to truly pray in Jesus' name is to reorder one's priorities in prayer-and in life-away from oneself and towards Jesus and his kingdom. It is to pray believing in the power and the goodness of the One who hears, and thus to pray boldly, expectantly, and persistently. Readers seeking to transform their prayer lives will find wonderful direction in Praying Backwards.

Finally, Grieve focuses on the misogynistic elements of the story and asks why the fall of Spain is figured as a cautionary tale about a woman ' s sexuality.
