President Obama may have delivered on his campaign promise to kill Osama bin Laden, but as an Al-Qaeda strategist, bin Laden has been dead for years. This book

Bookmark File PDF Inside Al Qaeda And The Taliban Beyond Bin Laden 9 11 Syed

introduces and examines the new generation of Al-Qaeda leaders who have been behind the most recent attacks. Investigative journalist Syed Saleem Shahzad dedicated his life to revealing the strategies and inner workings of Al-Qaeda and the Taliban. He had access to top-level commanders in both movements, as well as within the ISI, Pakistan's intelligence service. Shahzad's work was praised by US Secretary of State Hillary Clinton for "bringing to light the troubles extremism poses to Pakistan's stability." Inside Al-Qaeda and the Taliban explains the wider aims of both organizations and provides an essential analysis of major terrorist incidents, including the 2008 Mumbai attacks. In May 2011, Shahzad was abducted and killed in Pakistan, days after writing an article suggesting that insiders in the Pakistani

navy had colluded with Al-Qaeda in an attack on a naval air station. This book is a testament to his fearless reporting and analytical rigor. It will provide readers worldwide with invaluable insights into the new phase of the ongoing struggle against terrorism which threatens to tear apart the fragile fabric of so many countries.

A myriad of authors, journalists, academics and analysts have attempted to analyse what drives Al-Qaeda and Taliban leaders and fighters. Syed Saleem Shahzad is the only one to have gone to their strongholds and asked them. Shahzad, a Pakistani investigative reporter, has a level of access to Al-Qaeda and the Taliban that Western journalists can only dream of. He has interviewed many top-level strategists and

Bookmark File PDF Inside Al Qaeda And The Taliban Beyond Bin Laden 9 11 Syed

fighters in both movements on multiple occasions in Iraq, Afghanistan, Pakistan and Jordan. Here he uses first-hand accounts and his own local knowledge to build up a convincing picture of the aims and motivation of the leaders and fighters in radical Islamic movements. This is a version of the 'war on terror' that has never been told. It will fascinate anyone concerned with the strategy and tactics of the most controversial Islamic movements.

Examines the leadership, ideology, tactics, and finances of Al Qaeda, discusses how the organization trains fighters, and outlines the international response that will be necessary to

destroy the organization.

The true story of a jihadi convert seeking redemption in a rollicking read and a rare insider's account of Western spying in the age of al Qaeda (The New York Times Book Review). Standing over six feet tall with flaming red hair, Morten Storm was an unlikely jihadi. But after a troubled youth in his native Denmark, Storm found peace and purpose in his conversion to Islam. His absolute devotion only grew after he attended a militant madrasa in Yemen, named his son Osama, and became close friends with American-born terrorist cleric Anwar al-Awlaki. Then, after a decade of jihadi life, he not only rejected extremism—he began a quest for atonement, becoming a double agent for the CIA as well as British and

Danish intelligence agencies. Agent Storm takes readers inside the fanatical jihadist mindset and into the shadows of the world's most powerful spy agencies in an action-packed account that "reads like a screenplay for a James Bond movie written by Joel and Ethan Coen" (The Washington Post).

Meticulously annotated key texts of the major figures from whom Al Qaeda has drawn its beliefs and direction reveal the terrorist network's full dimensions as a threat to world stability and security, in a comprehensive collection of writings that traces the history of Al Qaeda from its origins through the war in Iraq

As one of al-Qaeda's most respected bomb-makers, Aimen

Dean rubbed shoulders with the mastermind of the 9/11 attacks and swore allegiance to Osama bin Laden. As a double agent at the heart of al-Qaeda's chemical weapons programme, he foiled attacks on civilians and saved countless lives, brushing with death so often that his handlers began to call him their spy with nine lives. This is the story of how a young Muslim, determined to defend his faith, found himself fighting on the wrong side – and his fateful decision to work undercover for his sworn enemy. From the killing fields of Bosnia to the training camps of Afghanistan, from running money and equipment in Britain to dodging barrel bombs in Syria, we discover what life is like inside the global jihad, and what it will take to stop it once and for all.

As one of Al Qaeda's most respected scholars and bomb-makers, Aimen Dean rubbed shoulders with the mastermind of the 9/11 attacks and met Osama Bin Laden himself. His job was already one of the most dangerous in the world. But what the others didn't know was that he was working undercover for MI6.

One of the most powerful Islamic militant groups in Africa, Al-Shabaab exerts Taliban-like rule over millions in Somalia and poses a growing threat to stability in the Horn of Africa. Somalis risk retaliation or death if they oppose or fail to comply with Al-Shabaab-imposed restrictions on aspects of everyday life such as clothing, media, sports, interpersonal relations, and prayer. Inside Al-Shabaab: The Secret History

Bookmark File PDF Inside Al Qaeda And The Taliban Beyond Bin Laden 9 11 Syed

of Al-Qaeda's Most Powerful Ally recounts the rise, fall, and resurgence of this overlooked terrorist organization and provides an intimate understanding of its connections with Al-Qaeda. Drawing from interviews with former Al-Shabaab militants, including high-ranking officials, military commanders, police, and foot soldiers, authors Harun Maruf and Dan Joseph reveal the motivations of those who commit their lives to the group and its violent jihadist agenda. A wealth of sources including US diplomatic cables released by Wikileaks, letters taken from the Pakistani hideout of Osama bin Laden, case files from the prosecution of American Al-Shabaab members, emails from Hillary Clinton's tenure as secretary of state, and Al-Shabaab's own statements and recruiting videos inform Maruf and Joseph's investigation of

the United States' campaign against Al-Shabaab and how the 2006 US-backed Ethiopian invasion of Somalia gave the group the popular support it needed to radicalize ordinary citizens and become a powerful movement.

On September 11, 2001, as Central Intelligence Agency analyst Philip Mudd rushed out of the Eisenhower Executive Office Building next to the White House, he could not anticipate how far the terror unleashed that day would change the world of intelligence and his life as a CIA officer. For the previous fifteen years, his role had been to interpret raw intelligence and report his findings to national security decision makers. But within weeks of the 9/11 attacks, he would be on a military aircraft, flying over the Hindu Kush

Bookmark File PDF Inside Al Qaeda And The Taliban Beyond Bin Laden 9 11 Syed

mountains, en route to Afghanistan as part of the U.S. government's effort to support the fledging government there after U.S. forces had toppled the Taliban. Later, Mudd would be appointed deputy director of the CIA's rapidly expanding Counterterrorist Center and then senior intelligence adviser at the FBI. A first-person account of Mudd's role in two organizations that changed dramatically after 9/11, *Takedown* sheds light on the inner workings of the intelligence community during the global counterterror campaign. Here Mudd tells how the Al Qaeda threat looked to CIA and FBI professionals as the focus shifted from a core Al Qaeda leadership to the rise of Al Qaeda-affiliated groups and homegrown violent extremism from Europe, the Middle East, and Asia. As a participant in and a witness to key strategic

Bookmark File PDF Inside Al Qaeda And The Taliban Beyond Bin Laden 9 11 Syed

initiatives—including the hunt for Osama bin Laden and efforts to displace the Taliban—Mudd offers an insider's perspective on the relationships between the White House, the State Department, and national security agencies before and after the invasions of Iraq and Afghanistan. Through telling vignettes, Mudd reveals how intelligence analysts understood and evaluated potential dangers and communicated them to political leaders. Takedown is a gripping narrative of tracking terrorism during what may be the most exhilarating but trying times the American intelligence community has ever experienced.
