From New York Times Bestselling author (creator of the Netflix series V Wars), Jonathan Maberry comes the first in a brand new series featuring Joe Ledger and Rogue Team International. A small island off the coast of Korea is torn apart by a bioweapon that drives everyone—men, women, and children—insane with murderous rage. The people behind the attack want Korea reunified or destroyed. No middle ground. No mercy. Soon Japan, China, and the United States are pushed to the brink of war, while terrorists threaten to release the rage bioweapon in a way of pure destructive slaughter. Joe Ledger leads his newly formed band of international troubleshooters in their first mission to stop the terror cell, fighting alongside agents from North and South Korea. With the lives of billions at stake, Ledger is willing to bring his own brand of terror to this frightening new war.

In Jonathan Maberry's The Dragon Factory, Joe Ledger and the DMS (Department of Military Sciences) face their deadliest threat yet when they go up against two competing groups of geneticists bent on world domination. One side is creating exotic transgenic monsters and genetically enhanced mercenary armies; the other is using 21st century technology to continue the Nazi Master Race program begun by Josef Mengele. Both sides want to see the DMS destroyed, and they've drawn first blood. Neither side is prepared for Joe Ledger as he leads Echo Team to war under a black flag.

As reports of UFO sightings increase exponentially, Joe Ledger and the Department of Military Sciences try to stop an unknown entity from acquiring new technology that could bring about a world war.

In ASSASSIN'S CODE, the fourth book in New York Times bestselling author Jonathan Maberry's Joe Ledger series, Joe Ledger and the DMS go on a relentless chase to stop an ancient order of killers from plunging the entire world into Holy War. When Joe Ledger and Echo Team rescue a group of American college kids held hostage in Iran, the Iranian government then asks them to help find six nuclear bombs planted in the Mideast oil fields. These stolen WMDs will lead Joe and Echo Team into hidden vaults of forbidden knowledge, mass-murder, betrayal, and a brotherhood of genetically-engineered killers with a thirst for blood. Accompanied by the beautiful assassin called Violin, Joe follows a series of clues to find the Book of Shadows, which contains a horrifying truth that threatens to shatter his entire worldview. They say the truth will set you free...not this time. The secrets of the Assassin's Code will set the world ablaze.

The final Joe Ledger novel in Jonathan Maberry's New York Times bestselling series. Terrorists-for-hire have created a weapon that can induce earthquakes and cause dormant volcanoes to erupt. One terrifying side-effect of the weapon is that prior to the devastation, the vibrations drive ordinary people to suicide and violence. A wave of madness begins sweeping the country beginning with a mass shooting in Congress. Joe Ledger and his team go on a wild hunt to stop the terrorists and uncover the global super-power secretly funding them. At every step the stakes increase as it becomes clear that the end-game of this campaign of terror is igniting the Yellowstone caldera, the super-volcano that could destroy America. Deep Silence pits Joe Ledger against terrorists with bleeding-edge science weapons, an international conspiracy, ancient technologies from Atlantis and Lemuria, and an escalating threat that could crack open the entire Earth.
