It includes: an explanation of the different parts that make up the engine and how they interact; how fuel is transformed into propulsion; regular maintenance and repair worksheets to help even the most mechanically ignorant to work on their outboard engine with confidence; the most common causes of breakdown; troubleshooting tables to allow you to diagnose and fix the most common engine problems and advice on how to winterize your outboard in one short afternoon. After reading this book, your outboard will no longer be a potential bother to you but an ally for better boating.

This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.
