A hilarious re-imagining of the heroes of the Old Testament for a modern world-and the neurotic, demanding reader. In the beginning...there was humor. Sure, it's the foundation for much of Western morality and the cornerstone of world literature. But let's face it: the Bible always needed punching up. Plus, it raised quite a few questions that a modern world refuses to ignore any longer: wouldn't it be boring to live inside a whale? How did Joseph explain Mary's pregnancy to the guys at work? Who exactly was the megalomaniacal foreman who oversaw the construction of the Tower of Babel? And honestly, what was Cain's problem? A GOOD MORNING AMERICA BOOK CLUB PICK A BELLETRIST BOOK CLUB PICK For fans of *The Hours* and *Fates and Furies*, a bold, kaleidoscopic novel intertwining the lives of three women across three centuries as their stories of sex, power, and desire finally converge in the present day. Lily is a mother and a daughter. And a second wife. And a writer, maybe? Or she was going to be, before she had children. Now, in her rented Brooklyn apartment she's grappling with her sexual and intellectual desires, while also trying to manage her roles as a mother and a wife in 2016. Vivian Barr seems to be the perfect political wife, dedicated to helping her charismatic and ambitious husband find success in Watergate-era Washington D.C. But one night he demands a humiliating favor, and her refusal to obey changes the course of her life—along with the lives of others. Esther is a fiercely independent young woman in ancient Persia, where she and her uncle's tribe live a tenuous existence outside the palace walls. When an innocent mistake results in devastating consequences for her people, she is offered up as a sacrifice to please the King, in the hopes that she will save them all. In Anna Solomon's *The Book of V.*, these three characters' riveting stories overlap and ultimately collide, illuminating how women's lives have and have not changed over thousands of years.

I'll Seize the Day Tomorrow is the story of Jonathan Goldstein's journey to find some great truth on his road to forty. In a series of wonderfully funny stories, the host of CBC's *WireTap* recounts the highs and lows of his last year in his thirties. Throughout the year, Goldstein asks weighty questions that would stump a person less seasoned. For example: What is it about a McRib that drives people crazy? Can we replace extending an olive leaf with extending an olive jar? How much wisdom can we glean from episodes of *Welcome Back, Kotter*? His friends and family, many of them known through their appearances on *WireTap*, weigh in with hilarious results as Goldstein eats, sleeps, and watches bad TV all the way to his date with destiny.

This startlingly original debut from *This American Life* contributor Jonathan Goldstein is, according to a *Vice Magazine* reviewer, "the cleanest dirty book I've ever read." It's a snapshot of the mind of Josh, a rather confused young man who must cope with his father's listlessness and his own overwhelming lust, not to mention the arrival of the Moschiach, inventor of the infamous Love Lotion. *Lenny Bruce Is Dead* walks a tightrope between the searingly funny and the poignant. You'll laugh, you'll cry, you'll long for some Love Lotion of your own. And you won't forget Josh — ineptitude, scatological neuroses, urban angst, self — deprecating humor and all.

Abducted as a teenager, a woman must now confront her past and untangle the truth of what really happened to her in this dark thriller from the author of *The Wolf Wants In*. **ONE OF THE BEST BOOKS OF THE YEAR:** *St. Louis Post-Dispatch*, *Self* • “Compulsively, propulsively readable.” —Laura Lippman, bestselling author of *Lady in the Lake* Seventeen-year-old Sarabeth has become increasingly rebellious since her parents found God and moved their family to a remote Arkansas farmstead where she’s forced to wear long dresses, follow strict rules, and grow her hair down to her waist. She’s all but given up on escaping the farm when a masked man appears one stifling summer morning and snatches her out of the cornfield. A week after her abduction, she’s found alongside a highway in a bloodstained dress—alive—but her family treats her like she’s tainted, and there’s little hope of finding her captor, who kept Sarabeth blindfolded in the dark the entire time, never uttering a word. One good thing arises from the horrific ordeal: a chance to leave the Ozarks and start a new life. Five years later, Sarabeth is struggling to keep her past buried when investigator Nick Farrow calls. Convinced that her case is connected to the strikingly similar disappearance of another young girl, Farrow wants Sarabeth’s help, and he’ll do whatever it takes to get it, even if that means dragging her back to the last place she wants to go—the hills and hollers of home, to face her estranged family and all her deepest fears. In this riveting novel from Laura McHugh, blood ties and buried secrets draw a young woman back into the nightmare of her past to save a missing girl, unaware of what awaits her in the darkness.
