The Left Hemisphere: Mapping Critical Theory |
Razmig ...

In Left Hemisphere: Mapping Critical Theory Today, Razmig Keucheyan has managed to assemble a rigorous and comprehensive cartography of the contemporary field of critical theory. Bold in ambition, panoramic in scope and praiseworthy in execution, I would certainly recommend this title to anyone seeking a coherent port of entry into the vast and often labyrinthine world of the critical left.

IndieBound.org

Remzig Keucheyan ' s, The Left Hemisphere: Mapping Critical Theory Today is an important contribution to the field of critical theory today as it provides such a cognitive mapping. Not only is the book an excellent introduction to the burgeoning field of critical theory as it surveys the key ideas of master thinkers such as Jacques Ranci è re, Antonio Negri, Giorgio Agamben, Gayatri Spivak and Slavoj Ž i ž ek, it also sheds light on lesser known thinkers such as Elmar Altavater and Yann ...

Left hemisphere : mapping critical theory today (Book

...

According to the Left-Brain Right-Brain Theory, the different hemispheres of our brain control different types of cognition. The left hemisphere is said to be more objective, practical, and analytical, while the right hemisphere is said to be more subjective and thoughtful. Yet, of course, the two sides work together to help us function properly.
