While we're on the subject of kanji here, let's look briefly at this integral aspect of Japanese. Mastering kanji is easily the most challenging part of Japanese, and learning it properly requires commitment— but it is entirely within your grasp! More importantly, let's discuss exactly why Japanese uses kanji.

social media and WiFi to paying and counting Example sentences showing how the words are used Companion online audio recordings by native Japanese speakers of all the vocabulary and sentences An introduction to Japanese pronunciation and grammar An index to allow you to quickly look up words Japanese Picture Dictionary makes language learning more fun than traditional phrasebooks. This resource is perfect for beginners of all ages—curious kids, visual learners and future travelers to Japan.

A photographic guide to the key words and phrases in Japanese. This attractive ebook is a perfect travel companion and provides a practical guide to Japan and Japanese language and culture.

My First Book of Japanese Words is a beautifully illustrated book that introduces young children to Japanese language and culture through everyday words. The words profiled in this book are all commonly used in the Japanese language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Japanese Words are multiple: to familiarize children with the sounds and structure of Japanese speech, to introduce core elements of Japanese culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Kanji (when applicable), Kana, and Romanized form (Romaji). With the help of this book, we hope more children (and adults) will soon be a part of the 125 million people worldwide that speak Japanese!

A kid friendly introduction to Japanese! Let's Learn Japanese is an introductory Japanese language learning tool especially designed to help children from preschool through early elementary level acquire basic words, kanji characters, phrases, and sentences in Japanese in a fun and easy way. The flashcards can be used as a learning tool in a classroom setting, at home, or anywhere that learning takes place, and can easily be taped around the room for an interactive way to learn Japanese. It contains: 64 Japanese flash cards Downloadable audio with recordings of songs, games and activities A wall chart showing the main words and phrases at a glance A learning guide for parents and teachers The flash cards present 64 basic words and phrases representing the full range of sounds in Japanese and organized into thematic categories, including: People Colors Animals Food Body Prts Clothing Going Places Also included in this Japanese for kids is downloadable audio which provides native pronunciation of the words, and sample sentences for practice—sentences that children would use in everyday life. Songs and other activities are also included on the free downloadable audio.
