In Good Bread Is Back, historian and leading French bread expert Steven Laurence Kaplan takes readers into aromatic Parisian bakeries as he explains how good bread began to reappear in France in the 1990s, following almost a century of decline in quality. Kaplan describes how, while bread comprised the bulk of the French diet during the eighteenth century,

And the twentieth, per capita consumption had dropped off precipitously. This was largely due to social and economic modernization and the availability of a wider choice of foods. But part of the problem was that the bread did not taste good. In a culture in which bread is sacrosanct, bad bread was more than a gastronomical disappointment; it was a threat to France's sense of itself. By the mid-1990s bakers rallied, and bread officially designated as "bread of the French tradition" was in demand throughout Paris. Kaplan meticulously describes good bread's ideal crust and crumb (interior), mouth feel, aroma, and taste. He discusses the breadmaking process in

extraordinary detail, from the ingredients to the kneading, shaping, and baking, and even the sound bread should make when it comes out of the oven. Kaplan does more than tell the story of the revival of good bread in France. He makes the reader see, smell, taste, feel, and even hear why it is so very wonderful that good bread is back.

Originally published in 1984, this book is a developmental psychology text with substantial evolutionary and cross-cultural work. It presents cognitive developmental issues, as well as personality, social and socialization issues, with an emphasis on culture. It also includes education-related research, such as material

The Tassajara Bread Book has been a favorite among renowned chefs and novice bakers alike for more than thirty years. In this deluxe edition, the same gentle, clear instructions and wonderful recipes are presented in a new paperback format with an updated interior design and full-color photos of the breads. Deborah Madison, author of *Vegetarian Cooking for Everyone*, says, "This little book has long been a guide for those who want to bake but don't know where to begin, as well as for those who want to go beyond and discover not just recipes, but bread making itself."
