Meet Brian Witaker, the middle-aged principal of Memorial High School.

During the chaotic school year, his strength and patience are tested as he deals with some interesting characters, including a peeping Tom science teacher, a devious head custodian and a strict ex-Marine gunny sergeant whose mission is to teach the band how to march. Witaker also befriends a homeless man who seeks refuge on school property and encounters many serious and some humorous situations with his students. The School is an unpredictable story of one principal's patience, compassion and leadership, with an ending that will touch your spirit and remind you of your high school days and the importance these days played in your life.

The Congressional Record is the official record of the proceedings and debates of the United States Congress.

It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

The REBOUND: A Reflective Journey of a Man That Got a Chance at Life 's Reset By: Utaff W. Gordon Follow one man 's daily reflection about his residential rehabilitation from substance abuse, the relationships developed, and the transformation from having entered into a program with skepticism, distrust, and low self-esteem to becoming more open and realistic about his substance abuse, understanding the things that are TRULY important, and the support mechanisms that have been built to support his continued sobriety. The Rebound details the struggles of a man who has all of the things that a person works toward but that he was not ready for. This took place during a time where mental health had taken a tremendous toll in the pandemic, especially in the minority community. It is even tougher to come to terms with as a Black man in need of THERAPY. All his life he learned that " We are not supposed to have a " Therapist, " we should figure it out on our own, muscle through. " It is the author 's hope that his shared experiences in rehab can give some in a similar circumstance hope because there is much to live for. To families or others that have someone they love experiencing the insidious nature of substance abuse, they need to know that as long as they are on this side of the grass... there is hope that their loved one can be truly healed.
