In a world so dark and seductive, expect nothing less than a triple-cross in this explosive Ghostwalker novel by #1 New York Times bestselling author Christine Feehan... In an underground club, a high-ranking public official spends his secret nights indulging in fantasies as exciting as they are depraved. For a seductive employee of the Dungeon, it's her job to fulfill them. But she's playing a far more dangerous game—one of blackmail, politics, and murder that reaches into the shadow world of the Ghostwalkers, and the creation of a spectacular, one-of-a-kind new weapon of defense. But when a dictator makes his own catastrophic moves, the Ghostwalkers have no choice but to bring in two major players—a man and woman both driven by passion and revenge. Both expendable. Both with nothing left to lose.
