A study by the Bertelsmann Stiftung has come to the conclusion that a billion more people live under dictatorship now than was the case 15 years ago. The findings were the sum of research for the Bertelsmann Stiftung's "Transformation Index" in which the institute analyzed the quality of democracy, the market economy and leadership in 129 countries. While the researchers concluded that the number of people living in democracies rose from 4 billion to 4.2 billion between 2003 and 2017, they also found that 3.3 billion people lived under dictatorship last year compared to 2.3 billion in 2003. The report further warned that growing restrictions on citizens' rights and legal standards was an acute problem in democracies. This investigation is based on facts, but in part is a mockery to the most coward kind of people that lives in the planet on the expenses of the suffering of billions of us. That's why the title says: "fer-pect" instead of "perfect", inspired on the 2004 year Movie "Ferpect Crime" of Alex de la Iglesia, about an ambitious salesman will do anything for that big promotion he's been chasing, but inevitably, he will learn that there is no such thing as the perfect crime. These criminals in power are convinced that will never face justice for their atrocities, but at the end they all finish like cartoon

characters.

The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

Discover how the scientist Bruce Banner becomes the green giant known as the incredible Hulk! Ready-to-Read books offer children a world of possibilities at three different reading levels. Level 1: Starting to Read Simple stories, building vocabulary, basic sentences. Level 2: Reading Independently More-challenging stories, varied sentence structure, paragraphs and short chapters. Level 3: Reading Proficiently Complex stories, rich vocabulary, longer chapters.

She will have her freedom, no matter the cost... Victoria Brighton refuses to be a pawn to to be played by her stepfather, who will stop at nothing to access her inheritance - including marrying her off to the cold and calculating Duke of Lansingberg. She escapes across the sea to the western prairies, unknowing what is ahead of her but intent that she will never again allow a man to dictate her future. He will honor his promises and hold his family together... Callum McDougall, future chieftan of the McDougall clan, is journeying to the North-West Territories to determine what has become of his missing cousin. Once his mission is complete, he will honor the family tradition and return to Scotland as chieftan to lead his clan. Together in the new world, what will the future hold? Callum and Victoria fight their intense attraction to one another, as Callum must return to Scotland while Victoria vows to remain true to herself. Soon, however, they find themselves unlikely allies in their respective predicaments. With a future continents apart, will they succeed in denying their growing feelings for one another, or will love prevail?
