Writings: Night by Elie Wiesel Dialectical Journals

Seen as there was no light upon Earth without God, Wiesel could have used, “Night,” in order to demonstrate the darkest time period of life where there remained an absence of his religious faith seen as it was shattered by the cruelty Elie had been witness to as well as the victim of.

Dialectical Journal: Night does —Night Dialectical—

Wiesel’s quote evokes that, as night began, he became a restless wanderer hidden from God, and that instead of being protected from death, his death was sealed seven times over, reversing God’s role as a protector. To forget the dead would be killing them a second time. Elie Wiesel, Forward

Night Quotes and Analysis
GradeSaver

Elie occasionally gives his rations to his ill father and even gives up food to be next to him. Giving up rations is a HUGE deal considering the conditions they are in, and this proves Elie has hope in his father. I believe that although Elie's dad is in need of his rations, he also benefits Elie by giving him an outlet of love and hope.

Eliezer. The narrator of Night and the stand-in for the memoir’s author, Elie Wiesel.Night traces Eliezer’s psychological journey, as the Holocaust robs him of his faith in God and exposes him to the deepest inhumanity of which man is capable. Despite many tests of his humanity, however, Eliezer maintains his devotion to his father. It is important to note that we learn Eliezer’s last ...

For this assignment, you are asked to do two things: 1. Read Nightby Elie Wiesel. 2. Track your thinking in a Dialectical Journal as you move through the work, making note of recurring motifs, or topics, in a. composition notebook. The back of this page has an example of how you should set up your pages into three columns, what questions you can use to guide your thinking as you read, and how you should fill in each section of the journal.

Dialectical Journal Template

Aside from Eliezer, Eliezer’s father, Shlomo, is the only other constant presence in the work. However, whereas Eliezer develops throughout the work, experiencing horrible revelations and undergoing numerous changes, Eliezer’s father remains a fairly static character, an older man who loves his son and depends upon him for support.

"Night," by Elie Wiesel, is a work of Holocaust literature with a decidedly autobiographical slant. Wiesel based the book—at least in part—on his own experiences during World War II. Though just a brief 116 pages, the book has received considerable acclaim, and the author won the Nobel Prize in 1986.

Chapter 8

Chapter 8

When social psychologist Stanley Milgram invited volunteers to take part in an experiment at Yale in the summer of 1961, none of the participants could have foreseen the worldwide sensation that the published results would cause. Milgram reported that fully 65 percent of the volunteers had repeatedly administered electric shocks of increasing strength to a man they believed to be in severe pain, even suffering a life-threatening heart condition, simply because an authority figure had told them to do so. Such behavior was linked to atrocities committed by ordinary people under the Nazi regime and immediately gripped the public imagination. The experiments remain a source of controversy and fascination more than fifty years later. In Behind the Shock Machine, psychologist and author Gina Perry unearths for the first time the full story of this controversial experiment and its startling repercussions. Interviewing the original participants—many of whom remain haunted to this day about what they did—and delving deep into Milgram’s personal archive, she pieces together a more complex picture and much more troubling picture of these experiments than was originally presented by Milgram. Uncovering the details of the experiments leads her to question the validity of that 65 percent statistic and the claims that it revealed something essential about human nature. Fleshed out with dramatic transcripts of the tests themselves, the book puts a human face on the unwitting people who faced the moral test of the shock machine and offers a gripping, unforgettable tale of one man’s ambition and an experiment that defined a generation.

Collection of critical essays about Elie Wiesel's Holocaust memoir, Night.

Ellen Fine's book is full of original insights, beautifully written and structured. I could not put it down. It is a very important study." -- Rosette Lamont, Queens College and Graduate School, City University of New York
"By treating Wiesel's novels as literary-spiritual stages in the development of Wiesel's larger experience, as a survivor-witness-writer, Dr. Fine's book takes on an inherently dramatic character which makes it alive and exciting as well as instructive." -- Terrence Des Pres, Colgate University
"Fine clarifies Wiesel's intentions, especially illuminating the complex variations on the themes of speech and silence, fathers and sons, escape and return--in short, the ideas around which Wiesel organizes his literary universe. No one has done this before so thoroughly." -- Lawrence Langer, Simmons College

A powerful and searingly honest memoir about a young woman who loses her family but finds herself in the process. In this astonishing debut, Claire Bidwell Smith, an only child, is just fourteen years old when both of her charismatic parents are diagnosed with cancer. What follows is a coming-of-age story that is both heartbreaking and exhilarating. As Claire hurtles towards loss she throws herself at anything she thinks might help her cope with the weight of this harsh reality: boys, alcohol, traveling, and the anonymity of cities like New York and Los Angeles. By the time she is twenty-five years old they are both gone and Claire is very much alone in the world. Claire's story is less of a tragic tale and more of a remarkable lesson on how to overcome some of life's greatest hardships. Written with suspense and style, and bursting with love and adventure, The Rules of Inheritance vividly captures the deep grief and surprising light of a young woman forging ahead on a journey of loss that humbled, strengthened, and ultimately healed her.

The author, a victim of birth injuries that left him paralyzed and unable to communicate, presents his autobiography as the story of Joseph Meehan, a disabled student who gains fame as a writer.

In Going Solo, the world's favourite storyteller, Roald Dahl, tells of life as a fighter pilot in Africa. 'They did not think for one moment that they would find anything but a burnt-out fuselage and a charred skeleton, and they were astounded when they came upon my still-breathing body lying in the sand nearby.' In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa, hoping to find adventure far from home. However, he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF. His account of his experiences in Africa, crashing a plane in the Western Desert, rescue and recovery from his horrific injuries in Alexandria, flying a Hurricane as Greece fell to the Germans, and many other daring deeds, recreates a world as bizarre and unnerving as any he wrote about in his fiction. 'Very nearly as grotesque as his fiction. The same compulsive blend of wide-eyed innocence and fascination with danger and horror' Evening Standard 'A non-stop demonstration of expert raconteurship' The New York Times
Book Review
Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

Contains a literary criticism of the work of Elie Wiesel and presents a contemporary analysis of the Jewish response to the Holocaust of World War Two.

Ninah Huff, the teenage granddaughter of the founder of an isolated religious community, causes controversy when she is discovered to be pregnant with what she claims is a holy child

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

“Illuminating . . . 24 academic essays covering Wiesel’s interpretations of the Bible, retellings of Talmudic stories . . . his post-Holocaust theology, and more.” —Publishers Weekly
Nobel Peace Prize recipient Elie Wiesel, best known for his writings on the Holocaust, is also the accomplished author of novels, essays, tales, and plays as well as portraits of seminal figures in Jewish life and experience. In this volume, leading scholars in the fields of Biblical, Rabbinic, Hasidic, Holocaust, and literary studies offer fascinating and innovative analyses of Wiesel’s texts as well as enlightening commentaries on his considerable influence as a teacher and as a moral voice for human rights. By exploring the varied aspects of Wiesel’s multifaceted career—his texts on the Bible, the Talmud, and Hasidism as well as his literary works, his teaching, and his testimony—this thought-provoking volume adds depth to our understanding of the impact of this important man of letters and towering international figure. “This book reveals Elie Wiesel’s towering intellectual capacity, his deeply held spiritual belief system, and the depth of his emotional makeup.” —New York Journal of Books
“Close, scholarly readings of a master storyteller’s fiction, memoirs and essays suggest his uncommon breadth and depth . . . Criticism that enhances the appreciation of readers well-versed in the author’s work.” —Kirkus Reviews
“Navigating deftly among Wiesel’s varied scholarly and literary works, the authors view his writings from religious, social, political, and literary perspectives in highly accessible prose that will well serve a broad and diverse readership.” —S. Lillian Kremer author of Women’s Holocaust Writing: Memory and Imagination
