Learn about the people with whom your child is spending time. Take notice if someone shows one or all of your children a great deal of attention or begins giving them gifts. Take time to talk to your children, find out why the person is acting in this way. **EMPOWER YOUR KIDS** Knowledge is power. Teach your children about their bodies.

Personal Safety & Your Child | Bravehearts

To teach personal hygiene to a child, start by explaining what germs are and how they can spread, since understanding germs will help them understand the importance of being clean! Next, when you're teaching your child how to properly wash their hands, have them sing a 20 to 30 second song like "Happy Birthday" while they wash, so that they will scrub their hands long enough.

Internet Use in Children

Knowing what you value can serve as a guide to determine when and how you want to intervene in a situation with your children. If you see your child misbehaving in a way that is contrary to a value you want to instill, it can be a clue about something the child needs to learn, whether it be kindness, generosity, responsibility, honesty, etc.
