Change for organizations is a necessity. Today's businesses are aware of the need to keep up with the environmental changes and change demands. If the change process is not handled properly in the business, it will bring major problems with it. Every change will absolutely and definitely face resistance. Similarly, conflicts are considered to be inherent in organizations.

Conflict Is Inevitable With Persistent Resistance To Change. Resistance is experienced in most teams as they struggle with the concept of change. The purpose of creating teams is to tackle difficult issues and tough organizational problems. Invariably, the solutions teams develop results in active transformations that disrupt the status quo and personal agendas, which also tends to remove personal positions of power.
