Reinventing Fire : Bold Business Solutions for the New ...

In Reinventing Fire: Bold Business Solutions for the New Energy Era, by Amory B. Lovins and Rocky Mountain Institute (RMI), fire is energy. Over thousands of years, the wood burning fires of our ancestors have become the fossil fuels we burn to generate the energy that powers our current civilization.

Reinventing Fire: Bold Business Solutions for the New ...

Reinventing Fire: Bold Business Solutions for the New Energy Era, introduced by the CEO of Shell Oil and the Chairman of Exelon, maps competitive strategies for winning the clean energy race, driven not laws but by business logic, not by K Street but by the C-suite. This transition needs no new federal taxes, subsidies, mandates, or laws.

Reinventing Fire: Business-Led Integrative Energy Solutions

Reinventing Fire: Bold Business Solutions for the New Energy Era is a 2011 book, by Amory B. Lovins and the Rocky Mountain Institute, that explores converting the United States to almost total reliance on renewable energy sources, such as solar energy and wind power. Lovins says that renewable energy is already cheaper than fossil fuels and his analysis predicts further reductions in renewable energy prices.
