This New York Times – bestselling saga of two brothers in postwar America, the basis for the classic miniseries, is “ a book you can ’ t put down ” (The New York Times). Siblings Rudy, Tom, and Gretchen Jordache grow up in a small town on the Hudson River. They ´ rs in their teens in the 1940s, too young to go to war but marked by it nevertheless. Their father is the local baker, and nothing suggests they will live storied lives. Yet, in this sprawling saga, each member of the family pushes against the grain of history and confronts the perils and pleasures of a world devastated by conflict and transformed by American commerce and culture. A memorable novel by one of America ´ s greatest twentieth-century authors, Rich Man, Poor Man offers a gripping ride through America between the Second World War and Vietnam. It was made into one of the first primetime TV mini-series, and starred Nick Nolte, Peter Strauss, and Susan Blakely. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author ´ s estate.

If you turn on the evening news or listen to NPR you ´ ll be bombarded with a non-stop parade of commentators pontificating on the ever expanding gap between the rich and the poor. But is the chasm really that wide? In Rich Man Poor Man, comedian and bestselling author Adam Carolla exposes the phenomena that are embraced by the really rich and the really poor--but never the middle class--like having an outdoor shower, wearing your pajamas all day, or always having your dog with you. Combining Adam's inimitable comedic voice and four-color illustrations by his friend Michael Narren, Rich Man Poor Man is a hilariously accurate look at what the people born with silver spoons in their mouths have in common with the people whose only utensils are plastic sporks stolen from a Shakey's.

A family confronts its dark past in this saga of murder, revenge, and redemption by the New York Times – bestselling author of Rich Man, Poor Man. In Irwin Shaw ´ s celebrated novel Rich Man, Poor Man, the Jordache clan was divided and scattered by the forces of American culture and capitalism after World War II. In this potent sequel, the family reunites after a terrible act of violence. Wesley never really knew his father, Tom, the black sheep of the Jordache family. Driven by his sorrow and a need for justice, Wesley uncovers surprising truths about his estranged family ´ s complicated past. Focused, forceful, and deeply moving, Beggarman, Thief is a stunning novel by a true American literary master. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author ´ s estate.

When Old Adam gets a money order from his son in England, he plans to throw a party. But when he tries to cash the money, he uncovers some well kept secrets.

Starvation, filth, and killing poverty were the vile realities of his childhood until Liam McGregor escaped London's Whitechapel hell for good. His success in the real world had only begun to erase his nightmare when his heart discovered the beautiful Lady Millicent. He would do anything for this woman he was swiftly learning to love, except the one thing she asked of him. He would go anywhere she wished him to, except the one place she begged him to go.
