In creating this anthology, Stanley Wells--the General Editor of the Oxford Shakespeare--has tried to select those passages that are most attractive in their own right and that suffer least from being read out of context. For the reader's convenience, he has arranged the excerpts according to subject matter, under headings such as Friendship, Love, Hatred, Responsibility and Government, Time, Wisdom and Folly, and Death.

It seems likely Oxford and William Shakespeare of Stratford upon Avon met through Richard Field, who was used as a printer by Lord Burghley in 1588, and whose shop was located in the Blackfriars next to the home of Lord Burghley's sister-in-law, Lady Russell, who was related by marriage to Thomas Russell, overseer of the will of William Shakespeare of Stratford upon Avon. Oxford, who held a lease in the Blackfriars in the 1580s, and wrote The Spanish Tragedy in 1582-3, was known in his own ...

The Oxfordian theory of Shakespeare authorship contends that Edward de Vere, 17th Earl of Oxford, wrote the plays and poems traditionally attributed to William Shakespeare. Though literary scholars reject all alternative authorship candidates, including Oxford, interest in the Oxfordian theory continues. Since the 1920s, the Oxfordian theory has been the most popular alternative Shakespeare authorship theory.

This chapter discusses works of Shakespeare and the subsequent influences they had on those of Virginia Woolf as a writer. Although reluctant and resistant to reading Shakespeare, as she often deemed his work as belonging to others, the chapter discusses the slow metamorphosis from Woolf's reluctance to Shakespeare, to a lifetime devotion of reading his plays and works. In late 1908, Woolf ...

Abstract This is the first comprehensive account of the relationship between Shakespeare and his favourite poet, Ovid. The author examines the full range of Shakespeare's work, identifying Ovid's presence not only in the narrative poems and pastoral comedies, but also in the Sonnets and mature tragedies.
