Symbolism in Sailing to Byzantium | Request PDF

The poem sets out to display the superiority of the world of art, to show that permanence can be achieved through art as in Byzantium and that human life by contrast is transient. Yeats uses symbolism throughout the poem to represent this contrast. Symbolism: The use of symbolism is very important throughout the poem. The title of the poem "Sailing to Byzantium" contains 2 important symbols:- (a) Sailing which depicts a metaphorical journey and gives substance and a physical aspect to ...

Sailing To Byzantium

The resplendent transcendental world Yeats visualizes in "Sailing to Byzantium" now gets replaced by the images of a dreary, dark and ghostly place; full of phantoms, 'mire and blood'. "Byzantium" has three key-symbols in the poem; the Byzantine dome, the golden bird perched on the golden bough and the flames of mosaic on the Emperor's pavement.

In 'Marbles of the dancing floor' (36) in 'Byzantium' could also be viewed similarly, although they could stand for coldness; they also stand for durability and art. The 'gold mosaic' (18) of 'Sailing to Byzantium' is a symbol of eternity, where a moment in history is frozen and preserved through art and 'into the artifice of eternity' (24), (this again reminds us of Keats as its meaning is similar to that of 'Ode to a Grecian Urn').

An Essay on the Symbolism of W.B. Yeats' Poetry ...

In 'Sailing to Byzantium' Yeats again presents the reader with a symbolic (although imaginary) journey, where the speaker sails away from a place of decay – the natural world of 'Fish, flesh of fowl' (5) to one with the promise of immortality where neither time nor nature can intrude. Byzantium becomes a symbol for this world.

Byzantium was an ancient Greek colony later named Constantinople, which is situated where Istanbul, Turkey, now stands. While the speaker does take an actual journey to Byzantium, the reader can interpret this journey as a metaphorical one, perhaps representing the journey of the artist. In the poem, the speaker feels the country in which he resides is no place for the old—it is only welcoming to the young and promising.

Sailing to Byzantium Poem Summary and Analysis | LitCharts

Written in 1926 and included in Yeats's greatest single collection, 1928 's The Tower, "Sailing to Byzantium" is Yeats's definitive statement about the agony of old age and the imaginative and spiritual work required to remain a vital individual even when the heart is "fastened to a dying animal" (the body). Yeats's solution is to leave the country of the young and travel to Byzantium, where the sages in the city's famous gold mosaics (completed mainly during the sixth and ...
