money. In terms of the running costs, the Polo isn't too expensive to keep on the road, and the 1.4 litre engine does balance the improvements in power over smaller engines with slightly less fuel efficiency. The average 47.9mpg isn't bad, but there are some much more efficient superminis on the ...

Volkswagen Polo. The story of Polo, one of VW's longest and best-selling models with over 15 million cars made worldwide, dates back to the 70s. Although many sees it as Golf's smaller brother, this super-mini car started his life from different roots. Unlike Golf, a car built by VW designers as a logical addition to their model lineup, Polo was one of the first examples of badge ...

Seller notes: " This is a clean VW Polo 1.4. reason for sale is i now have a company car, she has been used as a run about for the last couple of months but she's not getting the use she deserves. Car runs great has never let me down and is a really lovely car to drive. I will get a new 12 month MOT done as soon as I can, I have no doubt it will pass with no issues.
