This book has lots of great information on growing, preparing and using English willow to make baskets. The title suggests a more general topic. There are several example baskets with good instructions and diagrams, but if you're looking for instructions on flat- or round-reed baskets, look at Lyn Siler's books instead.

A practical book on techniques, methods and design of basketry for existing and aspiring basketmakers. The book aims - in light of the current interest and pride in traditional rural crafts - to offer access to information about the basketry trade in order to promote quality in basketry. Hardback with unclipped dust jacket. Blue sticker on back cover.
