~~The Great Exception: The New Deal and the Limits of ...~~

In *The Great Exception*, Jefferson Cowie provides new answers to these important questions. In the period between the Great Depression and the 1970s, he argues, the United States government achieved a unique level of equality, using its considerable resources on behalf of working Americans in ways that it had not before and has not since.

capitalism didn't suck because it was held in check by the
New Deal, A coalition of Labor and government which made
capitalism work for working people. This no doubt was a
positive development but an unstable and temporary one.

At first glance, The Great Exception: The New Deal and the
Limits of American Politics appears ambitious for such a
succinct discussion of the significant reforms and regulations
enacted in the Great Depression under Franklin Roosevelt.

~~The great exception : the New Deal & the limits of ...~~

The great exception is strikingly clear in a series of graphs that chart its rise and fall. A variety of measures form an anomalous historical hump or trough that begins in the 1940s and returns back in the 1970s: economic equality improves and then tumbles, union density climbs and then falls, working people's income goes up before dwindling,

~~The Great Exception: The New Deal and the Limits of ...~~

This treatment of the New Deal as an exceptional moment raises fundamental questions. When Cowie and Nick Salvatore wrote a version of this book as an article for *International Labor and Working-Class History*, it stirred controversy ("The Long Exception," Oct. 2008, pp. 3-32). In that incarnation, the two labor historians suggested that the 1930s was a deviation from the norm of American history not just because of the window that opened for reform but also,
