Apple Books

The Triumph of William McKinley is a deeply informed and highly engaging account of one of the seminal elections in American history, the 1896 victory that ushered in more than a generation of Republican dominance. A vivid, intriguing and compellingly modern rendering of one of the most underappreciated episodes in American political history."

journey that would one day land him in the White House. From personal tragedies to political setbacks, nothing would stop this moral Ohio man from reclaiming the White House for the Republican Party.

The Triumph of William McKinley: Why the Election of 1896 ...

Set against the backdrop of the ongoing recession caused by the Panic of 1893, McKinley's campaign and defeat of Democrat William Jennings Bryan ensured support of "sound" money (gold) and would lead to the American century. A well-informed and -researched dissection of McKinley's overlooked influence.
