The Western Medical Tradition : 800 BC to AD 1800 by ...

'The Western Medical Tradition is an extremely important publication which is certain to remain the best introduction to the history of pre-1800 western medicine for the next decade. Elegantly written and beautifully illustrated, it is a delight to read and re-read. Even the copious index is a work of art.' Laurence Brockliss, Medical History

The Western Medical Tradition by Lawrence I. Conrad ...

This is a long-awaited companion to The Western Medical Tradition, 800 BC to AD 1800 (1995); each written by academic staff at the Wellcome/UCL Centre for the History of Medicine in London. Since the former volume announced the demise of this invented western medical tradition in the nineteenth century, the present volume has to acknowledge that this tradition may not have quite the same meaning in the later period.
