Voluntary simplicity : toward a way of life that is outwardly simple, inwardly rich.

Voluntary Simplicity is not about living in poverty; it is about living with balance.

This book illuminates the pattern of changes that an increasing number of people around the world are making in their everyday lives -- adjustments in day-to-day living that are an active, positive response to the complex dilemmas of our time.

VOLUNTARY SIMPLICITY Chapter One - Duane Elgin

What is Voluntary Simplicity? Voluntary simplicity, or simple living, is a way of life that rejects the high-consumption, materialistic lifestyles of consumer cultures and affirms what is often just called 'the simple life' or 'downshifting.'. [1] The rejection of consumerism arises from the recognition that ordinary Western-style consumption habits are degrading the planet; that lives of high consumption are unethical in a world of great human need; and that the meaning of life does ...

Read Free Voluntary Simplicity Toward A Way Of Life That Is Outwardly Simple

One of my favorites is Voluntary Simplicity: Toward a Way of Life that is Outwardly Simple, Inwardly Rich, by Duane Elgin. Elgin suggests that the practice of voluntary simplicity helps us make the shift from "embedded consciousness" to "self-reflective consciousness," which is crucial for personal growth and the well-being of self and society.
