Maharashtra four times and as India's defence minister and minister for agriculture. On two occasions he came close to becoming the country's prime minister. He has often bucked the trend, preferring policy and pragmatism over populism, and won admiration for his administrative acumen and consensual politics. Eyewitness-at the highest levels-to India's and Maharashtra's history since the 1960s, he shares in this memoir his reflections on coalition politics, the loss of democracy in the Congress Party (with which he began his political life), the state of agriculture and industry in the country, and the absolute necessity of social harmony and a liberal, inclusive ethos for India's future. As he does this, he also gives us rare information about many crises and turning points: Emergency and its
